DAY 01: ARRIVAL IN REYKJAVIK

On arrival at Keflavik Airport, you will be welcomed by a driver and transferred to your accommodation in Reykjavík. After settling in, take the opportunity to explore the vibrant city centre at your own pace. The main downtown street, Laugavegur, offers a variety of shops, galleries, restaurants, coffee houses and bars to suit all tastes—all within an easy walk.

DAY 02: DAY TRIP TO GOLDEN CIRCLE

This morning you will be picked up by your guide. Then the first leg of your journey takes you around the Golden Circle, a popular route containing some of the best-known natural phenomena in Iceland. Starting at the UNESCO-listed Þingvellir National Park, you'll also visit the Gullfoss waterfall and the Geysir geothermal area, where the Strokkur geyser spouts hot water every few minutes. The last stop in this area will be at the Friðheimar farm, where you'll get to taste geothermally-grown tomatoes from their greenhouse.

DAY 03: DAY TRIP TO WESTMAN ISLANDS

Start the day with a drive along the south coast to the Landeyjahofn harbour, where you'll take a 30- minute ferry ride to the Westman Islands. At Heimaey we will be greeted by a local guide and join a bus tour around the main island. We will visit the Stórhöfði headlands—a popular puffin nesting spot, the volcanic crater and the new museum about the eruption. Then in the afternoon we will sail along the coastline to see unique ocean caves, various seabirds and, occasionally during the summer, groups of whales. Afterwards we will enjoy some instrumental music in the Klettshellir ocean cave, a natural echo chamber. Spend another night in the Hella area.

DAY 04: VISIT SELJALANDSFOSS AND SKOGAFOSS

This is another day of volcanic discovery! First you'll start the day at the fairy tale-like Seljalandsfoss waterfall. Then further along at the Volcano Visitor Centre at the Þorvaldseyri farm. Next is a stop to the magnificent Skógafoss waterfall and the Skógar folk museum that displays interesting artefacts from Iceland's old farming and fishing days. The last stop today is at the black volcanic beach near the village of Vík í Mýrdal. Enjoy a group dinner (either buffet or set menu) with your fellow travellers. Spend the night in the Kirkjubæjarklaustur area.

DAY 05: VISIT VATNAJOKULL NATIONAL PARK, SVARTIFOSS WATERFALL, JOKULSARLON GLACIER

Today's drive will take you to some of Iceland's most photogenic attractions, including a visit to the beautiful Skaftafell area of Vatnajökull National Park. Here you have the option of hiking to the beautiful Svartifoss waterfall, which drops over a wide cliff of basalt columns that resemble organ pipes. After lunch, the journey continues to the Jökulsárlón glacier lagoon, where you'll sail among the floating icebergs on a guided boat tour. In the late afternoon you will have free time to walk around the small seaside village of Höfn and enjoy dinner at your leisure. Spend the night in the Höfn í Hornarfjörður area.

DAY 06: DRIVE TO SEYOISFJOROUR

Today you'll be driving along majestic East Iceland, with scenery that includes tranquil fishing villages, narrow fjords, rugged tundra and sweeping landscapes. Along the way you'll stop in two small villages: Stöðvarfjörður. Later in the evening, after a stop at our accommodation in Egilsstaðir, we will travel to Seyðisfjörður for a leisurely walk around town and dinner. Seyðisfjörður is one of the most enchanting villages in Iceland with its well-preserved wooden houses and steep mountains in the fjord. Standing next to the thundering water here is an experience you won't soon forget! Next you'll explore the renowned lunar landscapes of the Lake Mývatn area with visits to the Námaskarð pass and the Skútustaðagígar pseudo craters. After your sightseeing you'll have the option of relaxing in the warm geothermal pools and saunas at the Mývatn Nature Baths, with a view to mountains and lava fields. From there, you'll head to the town of Akureyri, our next overnight destination. Spend the night in Akureyri.

DAY 08: ARRIVAL IN AKUREYRI AND CITY TOUR

In the morning you will have the option to join a whale watching tour from Akureyri or enjoy free time to explore the town on your own. As the largest town outside Greater Reykjavik, Akureyri offers a variety of cosy cafés, small shops and interesting places for a walk such as the historical town centre. One suggestion here is to walk along the streets of Hafnarstræti and Aðalstræti to view the old houses and visit the Nonni Museum. In the afternoon your guide will take you on a short sightseeing tour around Eyjafjörður, the beautiful fjord where Akureyri is located. In the evening you are free to choose your own dinner from among the good quality restaurants in the Akureyri city centre. Spend another night in Akureyri.

DAY 09: VISIT HOFOS TOWN

Today we continue towards Skagafjörður, a tranquil rural area known not only for its natural beauty but also for its abundance of purebred Icelandic horses. On our way there, our drive takes us through the beautiful, mountainous area of Tröllaskagi.
